Forward looking statement

This report contains forward-looking statements about the business, financial performance, skills and prospects of the Company. Statements about the plans, intentions, expectations, beliefs, estimates, predictions or similar expressions for future are forward-looking statements. Forward-looking statements should be viewed in the context of many risk issues and events that could cause the actual performance to be different from that contemplated in the Directors' Report and Management Discussions and Analysis Report, including but not limited to, the impact of changes in oil, steel prices worldwide, technological obsolescence and domestic, economic and political conditions. We cannot assure that outcome of this forward-looking statements will be realised. The Company disclaims any duty to update the information given in the aforesaid reports.

Rajokri, New Delhi - 110 038

The level of any economy can be judged by its infrastructure development.

The infrastructure sector is a key driver for the Indian economy. The increased spending in this sector has a multiplier impact on the overall economic growth as it necessitates development in the industrial and manufacturing segment. The cascading effect aggregates demand and improved living conditions.

The Government of India is striving towards stimulating construction activities in the country. It has projected very large investments towards building country's infrastructure. It has also identified the need for introducing modern technologies to increase the speed and efficiency of this development.

During 2017-18, the Government has launched Phase 1 of the prestigious Bharatmala Pariyojana, with an investment of ₹ 5.35 lakh crores for developing 34,800 kms National Highways over a period of 5 years ending in 2021-22. It has also approved development of another 48,877 Kms of projects totalling to ₹ 1.57 lakh crores under other ongoing schemes. Construction targets for 2018-19 have been set at 16,420 km which translates into a per day construction target of 45 km for the current year, against last year's execution of about 27 km per day.

At KNR Constructions Limited (KNRCL or 'the Company'), we are closely associated with the rapidly evolving infrastructure and construction of the Company for over forty decades now. We have mastered the art of construction and have achieved engineering excellence through deployment of state-of-the-art technology, built efficiencies and achieved 'ahead of schedule' status for most of our projects. During the year we got a special recognition of the '2nd Fastest Growing Construction Company (medium category)' at the Construction World Awards 2017, which is a testimony to our consistency and excellence.

At a glance

KNRCL is amongst the leaders in providing Engineering, Procurement and Construction (EPC) services.

It way back in 1979, Shri K. Narasimha Reddy (Promoter of KNRCL) formed a partnership business in the name and style of M/s K Narasimha Reddy & Company. The firm was engaged in the business of undertaking civil and mechanical contracts.

In 1995, KNRCL was established and soon acquired the firm to form a consolidated entity. Today, KNRCL is an ISO 14001:2004, 9001:2015 and OHSAS 18001:2007 Certified Company and a market leader in Road Infrastructure – EPC segment, with a 4-decade rich experience.

The Company possess robust project execution capabilities in road transportation engineering projects namely construction and maintenance of roads, highways, flyovers and bridges. Besides, it is also actively involved in the construction of irrigation and urban water infrastructure management.

VISION:

To develop KNRCL as a centre of excellence in the field of Infrastructure Services by striving continuously to provide eco-friendly solution adopting state-of-the-art practices and commitment to quality through motivated human resources.

MISSION:

We would aim to add more business verticals to the organisation in the fields of construction of Elevated Metro Rail and Railway Projects.

Message from the Managing Director

Dear Shareholders,

I am honoured to present you the 2017-18 Financial Year Annual Report of your Company. The year marks four decades of our commitment of being firmly rooted in promoting the values and importance of engineering excellence in the construction segment. The year gone by witnessed the standalone revenues crossing ₹ 19,300 million, from ₹ 15,000 million in the previous year. We have a strong balance sheet and underlying cashflow which strengthens our position to deliver on our strategies.

It's quite heartening to see infrastructure segment playing a pivotal role in propelling India's overall economic growth. Road construction touched a high of 9,829 km in FY18, growing 19% over FY17, out of which NHAI has constructed 3,071 km (17% growth over FY17) and MoRTH has constructed 6,758 km (21% growth over FY17). In the Union Budget 2018-19, the Government of India laid strong emphasis on further promoting the infrastructure sector by allocating ₹ 5.97 lakh crore. The total capital outlay planned by the Ministry of Road Transport and Highways stands at approximately ₹ 1.21 Lakh Crores, growing by 10% over the previous year. This outlay comprises of ₹ 59,000 crores through Gross Budgetary Support and ₹ 62,000 crores through internal and extra budgetary resources. Besides, the launch of Bharatmala Pariyojana Scheme Phase I, with an investment of ₹ 5.35 lakh crores, aims at developing National Highways totalling to 34,800 kms over a period of 5 years ending in 2021-22. However, India still needs investments worth ₹ 50 trillion in infrastructure by 2022 in establishing itself as a sustainable economy.

At KNRCL, we are evenly poised to leverage this infrastructural optimism with our all-time-high order book of ₹ 63,016 million as March 31, 2018. We have our in-house team of dedicated and determined professionals that are geared up to leverage the pursuit of excellence through collaborative working, personal and corporate integrity, trust and respect towards accomplishing the task in perfection, matching the delivery schedules and be an important partner in building the future of the Nation. I take this opportunity to thank our management, staff, investors, clients, banks and government agencies for their continued patronage and guidance.

Best Wishes,

K. Narasimha Reddy

Founder Promoter and Managing Director

Review by the Executive Director

Dear Shareholders,

Since the time of our inception, our people at KNRCL are determined to drive engineering excellence. We achieved extraordinary results for our customers and engineered innovative construction techniques to remain competitive and deliver projects in a more efficient, faster and timely manner. This has led to achieving perfection and strengthening our bottomline. With the Government's impetus, there will be a strong upswing in the infrastructure sector. The time-bound creation of world-class will be shaping a favourable environment for Road sector.

Key developments

As you are aware, KNRCL's thrust areas are highways, irrigation, flyovers and bridges. Your Company has bagged five HAM projects with a bid project cost of ₹ 56,112.10 million in 2017-18. Of these five HAM projects, four projects were awarded by NHAI and one under the Karnataka State Highway Improvement Programme. The Company has received term loan sanctions for three HAM projects. Under the KNRCL growth plan, thrust will be given to highway HAM projects, EPC in highways, irrigation, including waterways, flyovers and segmental structural section in metros and bridges. In complex bridges, flyovers and railway connectivity projects, the Company will explore technological-cum-financial JV partners. Daily toll collection in KNR Walayar -Vadakancherry BOT project in Kerala is now around ₹ 14.00 lacs and that of KNR Muzaffarpur-Barauni BOT project is around ₹ 14.50 lacs and the cash generations are sufficient to meet principal, interest and operation and maintenance expenses. With regard to the two BOT (annuity) assets where KNR holds 40% stake, monetisation is deferred till the arbitration proceedings on claims reach a logical end.

Way forward

With the Government's prestigious Bharatmala Pariyojana Scheme Phase I as well high construction targets for 2018-19 (16,420 km or 45 km per day), KNRCL is poised to build a strong orderbook. We are now focusing on capacity building in manpower, machinery, materials and finance with the objective of timely delivery with perfection.

We are passionate about excellence and will continue to deliver extraordinary results for our customers, building satisfying careers for our people, and earning a fair return on the value we deliver. Besides, we improve the quality of life in communities where we work by respecting local cultures, engaging local people and protecting the environment.

Best Wishes,

K. Jalandhar Reddy

Promoter and Executive Director

Management Discussions & Analysis

GLOBAL ECONOMY

The year 2017 marked a decade of the global economy collapse. The global economy has been on a steady revival path since then. The major economies have expanded, there has been a growth in the Euro-zone, modest growth in Japan, late revival in China and improving realities in Russia and Brazil.

The latest World Bank report suggest easing out of the global economic growth is projected to reach 3.1% in 2018 fiscal. Accordingly, after reaching 3.1% in 2018, global growth is projected to moderate in 2019-20, edging down to 2.9%, as global slack dissipates, trade and investment moderate and financing conditions tighten. The capacity constraints will become more binding and inflation will continue to rise. In emerging market and developing economies (EMDEs), growth in commodity importers will remain strong, while the rebound in commodity exporters is projected to mature over the next two years.

Global economic growth

Source: World Bank Group, Global Economic Prospects, June 2018

An escalation of trade restrictions among major economies is also a major threat to the outlook, as it could derail the recovery in global trade and dampen confidence and investment worldwide.

INDIAN ECONOMY

India has once again emerged as the fastest growing global major economy. As per the Central Statistics Organization (CSO) and International Monetary Fund (IMF), it is expected to be one of the top three economic powers of the world over the next 10-15 years, backed by its strong democracy and partnerships. India's GDP was recorded at 6.7% in 2017-18. After bottoming out in the middle of 2017 and slowing for five consecutive quarters, the GDP has since improved significantly, with momentum carrying over into 2018 on the back of a recovery in investment. This growth has been supported by prudent macroeconomic policy: a new inflation targeting framework, energy subsidy reforms, fiscal consolidation, higher quality of public expenditure and a stable balance of payment situation. In addition, recent policy reforms have helped India improve the business environment, ease inflows of foreign direct investment (FDI) and improve credit behaviour.

India's gross domestic product (GDP) is expected to reach US\$ 6 trillion by FY27 and achieve upper-middle income status on the back of digitisation, globalisation, favourable demographics and reforms. The Union Budget for 2018-19 laid strong emphasis on uplifting economy by promoting growth boosting measures for the agricultural sector, health care for economically privileged, education and infrastructure creation. There was an all-time high allocation of ₹ 5.97 lakh crores for infrastructure and road sectors development.

Despite the recent momentum, the economy requires addressing several structural challenges. India needs to durably recover its two lagging engines of growth – private investments and exports – while maintaining its hard-won macroeconomic stability. Crucial steps in this process include cleaning up banks' balance sheets, realising the expected growth and fiscal dividend from the GST, and continuing the integration into the global economy. Rising crude oil prices and inflation also remain to be a cause of concern for sustaining the growth momentum in the long run. Going ahead, IMF has projected a growth rate of 7.3% in 2018 and 7.5% in 2019, reflecting negative effects of higher oil prices on domestic demand and faster than-anticipated monetary policy tightening due to higher expected inflation.

Indian Economy update by the World Bank

According to the June 2018 World Bank update, India's economy is robust, resilient and has potential to deliver sustained growth.

India's growth potential is about 7%, and it is currently growing at a pace above its potential, largely attributable to the major economic reforms and fiscal measures undertaken by the Government. The economy has also moved past the disruptions caused by GST implementation. Adverse global conditions like an abrupt tightening of global financial conditions and escalating trade protectionism could also spell bad news for India and rest of the region even though the region is relatively less open to trade. World bank has further emphasised that spur in private investments, reviving banking credit to support growth, making exports competitive, momentum in structural reforms, generation of resources by domestic disinvestment, accelerate spending on infrastructure are the potential pathways to achieve the desired and sustainable growth momentum.

Indian Infrastructure forecasts for FY 2018-19

Infrastructure development is key to India's economic growth. India has a requirement of investment worth ₹ 50 trillion (US\$ 777.73 billion) in infrastructure by 2022 to have sustainable development in the country. India is witnessing significant interest from international investors in the infrastructure space. Sectors like power transmission, roads & highways and renewable energy will drive the investments in the coming years. Only 24% of the National Highway network in India is four-lane, therefore there is immense scope for improvement. Some of the recent investments include:

- ◆ Private equity and venture capital (PE/VC) investments in the infrastructure sector reached US\$ 3.3 billion with 25 deals during January-May 2018
- ◆ In January 2018, the National Investment and Infrastructure Fund (NIIF) partnered with UAE-based DP World to create a platform that will mobilise investments worth US\$ 3 billion into ports, terminals, transportation, and logistics businesses in India
- ◆ In February 2018, the Government of India signed a loan agreement worth US\$ 345 million with the New Development Bank (NDB) for the Rajasthan Water Sector Restructuring Project for desert areas
- ◆ In June 2018, the Asian Infrastructure Investment Bank (AIIB) has announced US\$ 200 million investment into the National Investment & Infrastructure Fund (NIIF)

Indian Road Construction Sector

Road infrastructure is the backbone of the Indian economy. Roads and highways form one of the core areas under the infrastructure sector. The Government has been taking measured efforts in providing more efficient transportation, for which they have significantly stepped up the highway development and road building program. The Government's thrust on the Infrastructure sector has remained strong in the Union Budget 2018-19. The total capital outlay planned by the Ministry of Road Transport and Highways stands at approximately ₹ 1.21 Lakh Crores which is higher by 10% as compared to the previous year's outlay of ₹ 1.10 Lakh Crores. The outlay comprises of ₹ 59,000 crores through Gross Budgetary

Support and ₹ 62,000 crores through Internal and Extra Budgetary Resources. The Government has also announced the Bharatmala Pariyojana Scheme Phase I with an investment of ₹ 5.35 lakh crores for development National Highways totalling to 34,800 kms over a period of 5 years ending in 2021-22. The project will be taken up by the ministry in two phases of 24,800 kilometre and 30,600 km each. The Government has also approved development of another 48,877 Kms of projects totalling to ₹ 1.57 lakh crores under other ongoing schemes like NH(O), Special Accelerated Road Development Programme in North East (SARDP-NE), Externally Aided Projects (EAP) and Roads Projects in Left Wing Extremism Affected Areas (LWE) to be completed by 2021-22.

The road ministry has recorded highest ever awarding of 17,055km in Financial Year 2018 which grew by 7% over Financial Year 2017. Out of these, NHAI has awarded 7,396 km in Financial Year 2018 which is 72% higher over the previous year and MoRTH has awarded 9,659 km in Financial Year 2018 which is drop of 17% over the previous year. Out of the total awarded projects worth ₹ 1,220 billion by NHAI in Financial Year 2018, ₹ 765 billion has been awarded on HAM mode (63%), ₹ 427 billion on EPC mode (35%) and remaining on BOT mode (2%). The awarding of contracts led by HAM and toll-operate-transfer models is expected to continue given the announcement and subsequent implementation of the Bharatmala project. Road construction touched a high of 9,829 km in Financial Year 2018 indicating a growth of 19% over the previous year, out of which NHAI has constructed 3,071 km which is 17% higher over the previous year and MORTH has constructed 6,758 km in Financial Year 2018 which is higher by 21% over the previous year.

COMPANY OVERVIEW

KNR Constructions Limited (KNRCL) is a dominant player in infrastructure projects such as expressways, national highway including BOT toll, Annuity, HAM projects, state highways, flyovers, bridges, irrigation and water management works. KNRCL maintain its market position by continuously focusing on engineering excellence, improving and sharpening competencies, adapting latest construction technologies, deployment of sophisticated construction equipment and timely delivery. With plethora of opportunities in the infrastructure segment, KNRCL is perfectly poised to gain from this development.

Order Book

KNRCL's outstanding orderbook as on March 31, 2018, stood at ₹ 23,266 million, comprising ₹ 16,561 million in road sector, ₹ 6,688 million in irrigation projects and ₹ 17 million in other projects, with 54% Central Government Projects, 45.99% State Government Projects and .01% in other projects. The Company also received LOA for 4 HAM projects of ₹ 44,667 million (BPC) from NHAI, and LOA for 1 HAM project of ₹ 11,445 million (BPC) from Karnataka State. The total estimated EPC in all the 5 HAM projects amounted to ₹ 39,750 million. Inclusive of EPC portion from HAM projects, the total EPC value on hand amounted to ₹ 63,016 million which is an all-time high order book.

RISK MANAGEMENT

At KNRCL, we recognise that every business has its inherent risks and it is required to possess a proactive approach to identify and mitigate them. The Company has embedded an efficient Enterprise Risk Management System (ERMS), which regularly scans the internal and external environment to identify risks, decide on possible mitigation plans and incorporate them in its strategic plans.

Competition Risk: With increased project awarding by the government, the road and construction industry is expected to attract several domestic as well as international players. This increase in competition may lead to an aggressive bidding environment, resulting in price cut and low operating margins as well as lower market share of project awards.

Risk Mitigation: With two decades of industry experience and led by a proven management team, who have honed their project managing skills right from the drawing board to the final execution, the Company is confident of meeting present and future competition and enjoy continued growth. To further mitigate this risk, where considered prudent, the Company forms strategic partnerships and joint ventures with quality players. This facilitates synergies both in the financial and technical arenas and enables it to compete with the larger players.

Slow-down in Road Sector: Any slowdown on part of the government to award road projects could adversely affect growth prospects.

Risk Mitigation: The present government has taken focused steps to ensure that infrastructure creation moves at an accelerated pace, thus reducing the possibility of this risk to a considerable extent. Moreover, the Company already has sufficient order backlog to ensure growth momentum in the medium term.

Construction Risk: Infrastructure projects involve complex design and engineering, significant procurement of equipment and supplies and extensive construction management and other activities conducted over extended time periods, sometimes in remote locations. This could lead to cost-time overruns, thereby impacting profitability.

Risk Mitigation: KNRCL with its vast experience of project management, balanced capital structuring and efficient cost control measures is well geared to mitigate this risk. Further, inhouse repository of specialised construction equipment reduces dependence on external sources, expedite execution and sustain margins.

Raw Material Risk: Increase in the cost of raw materials, particularly steel and cement, or their unavailability over the tenor of the contract can impact schedules and profit margins.

Risk Mitigation: The Company enters into long-term arrangement with suppliers for requisite raw materials for the tenure of the project, thus guaranteeing a continuous flow. Backward integration by sourcing aggregates from its mines, for road projects under execution also enables it to control costs. Also, leveraging its industry experience, the Company effectively supervises the availability of raw materials thus keeping the cost escalation risk to a minimum.

Interest Rates: Rising interest rates during the life span of a project, fuelled by inflation, can decrease profit margins.

Risk Mitigation: The Company factors this risk into the cost of project before bidding for it. Despite this, the Company is open to resorting to interest rate hedging in case the need arises.

Traffic Growth Risk: Revenue from the Company's Toll-based BOT projects are subject to risks associated with unpredictability of traffic growth.

Risk Mitigation: The Company's operational toll-based BOT project caters to traffic plying between South India's economically vibrant cities and towns. Major industries are also located on this stretch. With the anticipated uptick in economic activity, commercial traffic is expected to maintain a positive growth momentum, thus reducing the possibility of low toll revenues.

Regulatory Risk: The complex nature of infrastructure projects means that the Company has to interface with various regulatory authorities throughout the project life cycle, making them especially vulnerable to regulatory action. These requirements are complex and subject to frequent changes as well as new restrictions. Failure to comply with these requirements may result in significant liability to the Company.

Risk Mitigation: To deal with this risk effectively, the Company has a regulatory compliance review mechanism in place. Through this the Company gets regular updates and makes changes in its compliance on a real time basis.

Political Risk: Political disharmony can interrupt or disturb the settled commercial terms of a project, as infrastructure projects with their high visibility have a strong element of public interest.

Risk Mitigation: With greater thrust on infrastructure by successive governments, this risk has been alleviated to a considerable extent. Further to ensure minimal intrusion from the political machinery, the Company ensures that its work speaks for itself. Also, years of experience in working with various Governments and its agencies in its life span, has made KNRCL fully capable of handling any changes in the political setup.

Company Secretary

Place: Hyderabad

Date: August 10, 2018

NOTES:

- a. The Register of Members and the Share Transfer Books of the Company will remain closed from Wednesday, the September 26, 2018 to Saturday the 29th day of September 2018 (both days inclusive) for the purpose of Annual General Meeting.

- b. Explanatory Statement as required under Section 102(2) of the Companies Act, 2013 is annexed hereto. Further, additional information with respect to item no. 3 is also annexed hereto

M/s K P Rao & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 22nd Annual General Meeting held on September 28, 2017 for a period of 5 years i.e., upto conclusion of 27th AGM to be held in the year 2022. Pursuant to Notification issued by the Ministry of Corporate Affairs on 7th May, 2018 amending section 139 of the Companies Act, 2013 and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting (“AGM”) has been omitted, and hence the Company is not proposing an item on ratification of appointment of Auditors at this AGM.

- c. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF AND A PROXY NEED NOT BE A MEMBER.**

- d. The instrument appointing a proxy must be deposited with the Company at its Registered Office not less than 48 hours before the time for holding the Meeting.

Notice (Contd.)

- e. Corporate Members intending to send their authorized representatives to attend the Meeting are requested to send a certified copy of the Board Resolution authorizing their representatives to attend and vote on their behalf at the Meeting.
- f. The Company's Registrar and Transfer Agents for its share registry work (Physical and Electronic) are Link Intime India Private Limited (RTA).
- g. Members can avail of the facility of nomination in respect of securities held by them in physical form pursuant to the provision of Section 72 of the Companies Act, 2013. Members desiring to avail of this facility may send their nomination in the prescribed duly filled-in to RTA. Members holding shares in electronic mode may contact their respective Depository Participant (DP) for availing this facility.
- h. Members are requested to
- intimate to the DP, changes, if any, in their registered addresses and/or changes in their bank account details, if the shares are held in dematerialized form.
 - intimate to the Company's RTA, changes if any, in their registered addresses, in their bank account details, if the shares are held in physical form (share certificates).
 - consolidate their holdings into one folio in case they hold Shares under multiple folios in the identical order of names.
 - dematerialise their Physical Shares to Electronic Form (Demat) to eliminate all risks associated with Physical Shares. Our Registrars and Transfer Agents viz., Link Intime India Private Limited, may be contacted for assistance, if any, in this regard.
- i. The Securities and Exchange Board of India has made it mandatory for all companies to use the bank account details furnished by the Depositories for payment of dividend through Electronic Clearing Service (ECS) to investors wherever ECS and bank details are available. In the absence of ECS facilities, the Company will print the bank account details, if available, on the payment instrument for distribution of dividend. The Company will not entertain any direct request from Members holding shares in electronic mode for deletion of/change in such bank details.
- j. Members are requested to refer to the Corporate Governance Report for information in connection with the unpaid / unclaimed dividend liable to be transferred to Investor Education and Protection Fund (IEPF) administered by the Central Government.
- k. Brief resume of Directors including those proposed to be appointed / re-appointed, nature of their expertise in specified functional areas, names of companies in which they hold directorships and memberships / chairmanships of Board Committees, shareholding and relationships between directors inter-se as stipulated under LODR Regulations Exchanges, are provided in the Corporate Governance Report forming part of the Annual Report.
- l. In order to save the natural resources Members are requested to register their e-mail address/addresses with the Depository Participants, if the shares are held in dematerialized form and with the Company's Registrar & Transfer Agent if the shares are held in physical form, in case you have not registered your email ids till now.

In compliance with the provisions of Section 108 of the Companies Act, 2013, the Members are provided with the facility to cast their vote electronically, through the remote e-voting services provided by Central Depository Services (India) Limited (CDSL), on all resolutions set forth in this Notice.

The instructions for e-voting are as under:

The voting period begins on Wednesday, 26th September, 2018 (9.00 a.m. IST) and ends on Friday, 28th September, 2018 (5.00 p.m. IST). EXPLANATORY STATEMENT SETTING OUT MATERIAL FACTS AS REQUIRED BY SECTION 102 (2) OF THE COMPANIES ACT, 2013

ITEM NO. 4

Pursuant to the recommendation of the Audit Committee, the Board of Directors had at its meeting held on August 10, 2018, approved the reappointment of the Cost Auditors, M/s. K.K Rao & Associates, Cost Accountants and remuneration payable to them, as set out in the Resolution under this Item of the Notice.

In accordance with Rule 14 of Companies (Audit and Auditors) Rules 2014, the appointment of and remuneration payable to the Cost Auditors requires ratification by the Shareholders and hence this resolution is put for the consideration of the shareholders.

None of the Directors, Key Managerial Personnel of the Company and their relatives is concerned or interested in the Resolution.

Your Directors recommend the Resolution for your approval.

ITEM NO. 5 & 6

The Members of the Company on September 30, 2014 approved the appointment of Shri B V Rama Rao and Shri L B Reddy as Independent Directors of the Company for a period of 5 Years w.e.f October 01, 2014 to September 30, 2014.

In terms of recent notified Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) (Amendment) Regulations 2018, consent of the Members by way of Special Resolution is required for continuation of Non-Executive Directors beyond the age of seventy five years. Shri B V Rama Rao and Shri L B Reddy has attained seventy five years of age.

The Board of Directors of the Company are in view that in order to take advantage of Shri B V Rama Rao's and Shri L B Reddy 's experience in administration and accounting, it would be appropriate that they continue to serve on the Board till the completion of their present term of appointment as already approved by the Members. Accordingly, the Board at the Meeting held on August 10, 2018, recommended for the approval of the Members continuation of Shri B V Rama Rao and Shri L B Reddy as Independent Directors of the Company till the completion there existing terms.

Shri B V Rama Rao and Shri L B Reddy and their relatives are interested in this Special Resolutions. None of the other Directors and Key Managerial Personnel of the Company or their relatives, are interested in this Special Resolutions.

The Board recommends these Special Resolutions for your approval.

By Order of the Board of Directors

M. V. Venkata Rao

Company Secretary

Place: Hyderabad

Date: August 10, 2018

Directors' Report (Contd.)

age homes, day care centres and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;

The Company as part of its Corporate Social Responsibility (CSR) initiative, undertook projects like promotion of education in rural areas, infrastructure and maintenance and renovation of old age homes.

The Annual Report on CSR activities is annexed herewith as "Annexure I" to this report and CSR Policy is posted on the website of the Company and the web link is http://www.knrcl.com/images/knrcl_CSR.pdf

Directors

In accordance with the requirements of the Companies Act, 2013 Smt. K. Yashoda, Director of the Company is liable to retire by rotation at the Annual General Meeting and, being eligible, offer themselves for reappointment at the ensuing Annual General Meeting.

Brief resume of the Director proposed to be reappointed, nature of their expertise in specific functional areas, names of the companies in which they hold directorships and relationships between directors inter-se, as stipulated under LODR Regulations entered with the Stock Exchanges in India, are provided in the Report on Corporate Governance.

The Company has received declarations from all the Independent Directors of the Company confirming that they meet with the criteria of independence as prescribed both under the Act and LODR Regulations entered with the Stock Exchanges.

The Company has devised a Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors which include criteria for performance evaluation of the non-executive directors and executive directors.

The Board of Directors has complete access to the information within the Company. Independent Directors have the freedom to interact with the Company's management. Interactions happen during Board / Committee meetings, when MD / ED are asked to make presentations about performance of the Company to the Board. Apart from this, they also have independent interactions with the Statutory Auditors, the Internal Auditors and external advisors appointed from time to time. Further, they meet without the presence of any management personnel and their meetings are conducted informally to enable the Independent Directors to discuss matters pertaining to the Company's affairs and put forth their combined views to the Board of Directors of the Company.

Statutory Auditors

M/s K P Rao & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 22nd Annual General

Meeting held on September 28, 2017 for a period of 5 years i.e., upto conclusion of 27th AGM to be held in the year 2022. Pursuant to Notification issued by the Ministry of Corporate Affairs on 7th May, 2018 amending section 139 of the Companies Act, 2013 and the Rules framed thereunder, the mandatory requirement for ratification of appointment of Auditors by the Members at every Annual General Meeting ("AGM") has been omitted, and hence the Company is not proposing an item on ratification of appointment of Auditors at this AGM.

Internal Auditor & Controls

The Board of Directors based on the recommendation of the Audit Committee has re-appointed M/s. K. P. Rao Associates, Chartered Accountants, Hyderabad, as the Internal Auditors of your Company. The Internal Auditors are submitting their reports on quarterly basis. Internal Auditors findings are discussed and suitable corrective actions are taken as per the directions of Audit Committee on an on-going basis to improve efficiency in operations.

The Company's internal control systems are well established and commensurate with the nature of its business and the size and complexity of its operations. The Audit Committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations. The recommendations/suggestions of the internal auditors are discussed in the Audit Committee meetings periodically.

Cost Auditors

In accordance with Section 148 of the Companies Act, 2013 (corresponding Section 233B of the Companies Act, 1956) and the MCA General Circular No. 15/2011 dated April 11, 2011, (as amended vide General Circular No. 36/2012 dated November 6, 2012), the Audit Committee has recommended and the Board of Directors had re-appointed M/s. K.K. Rao & Associates, Cost Accountants, Hyderabad, being eligible and having sought re-appointment, as Cost Auditors of the Company, to carry out the cost audit for the Company during the financial year 2018-19.

Secretarial Auditor

In accordance with Section 204 of the Companies Act, 2013 the Board has appointed M/s. VCSR & Associates, Company Secretaries, to conduct Secretarial Audit for the FY 2017-18. The Secretarial Audit Report for the financial year ended March 31, 2018 is annexed herewith marked as Annexure II to this Report.

Directors' Report (Contd.)

Contracts and arrangements with Related parties

All contracts / arrangements / transactions entered by the Company during the financial year with related parties were in the ordinary course of business and on an arm's length basis. During the year, the Company had not entered into any contract / arrangement / transaction with related parties which could be considered material in accordance with the policy of the Company on materiality of related party transactions.

The Policy on materiality of related party transactions and dealing with related party transactions as approved by the Board may be accessed on the Company's website at the link: http://www.knrcl.com/images/policy_on_materiality.pdf Your Directors draw attention of the members to Notes to the financial statement which sets out related party transactions and disclosures.

Conservation of energy, technology absorption and foreign exchange earnings and out go:

The particulars relating to Conservation of Energy, Technology absorption, Foreign Exchange earnings and outgo as required under section 217 (1) (e) of the Companies Act, 1956 read with Companies (Disclosure of particulars in the Report of Board of Directors) Rules, 1988 are as follows

a) Conservation of Energy

The Company has taken suitable measures for conservation of energy. The core activity of the company is civil construction that is not an energy intensive activity.

Secretarial Audit Report for the Financial year ended March 31, 2018

To
The Members
KNR CONSTRUCTIONS LIMITED
New Delhi

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions of the Acts, Rules and Regulations as mentioned below and the adherence to good corporate practices by M/s. KNR CONSTRUCTIONS LIMITED (herein called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. KNR CONSTRUCTIONS LIMITED ('the Company') for the financial year ended on March 31, 2018 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made thereunder as applicable;
- II. The Securities Contract (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- III. The Depositories Act, 1956 and the Regulations and the Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- V. The following Regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI ACT'):
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulation, 2015 (as amended from time to time);
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI) applicable w.e.f. July 01, 2015
- (ii) The Listing Agreements entered by the company with National Stock Exchange of India and BSE Limited upto November 30, 2015
- (iii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

During the period under review, the company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc.

The Company has identified the following Industry specific laws are applicable to them:

1. The Building and other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996
2. Inter-State Migrant Workmen (Regulation of Employment & Conditions of Service) Act, 1979

We report that during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above;

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices are given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Annexure - II (Contd.)

Secretarial Audit Report for the Financial year ended March 31, 2018

Majority decisions are carried through and as informed by the Company, there were no dissenting views of members of the Board at any Board / Committee meeting held during the financial year.

We further report that we rely on the statutory auditors and other professionals for the compliance by the Company of the applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period there were no specific events /actions having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc.

Certificate on Corporate Governance

To
The Members of

KNR Constructions Limited

We have examined the compliance of conditions of Corporate Governance by **KNR Constructions Limited** ("the Company") for the year ended on March 31, 2018, as stipulated in regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We conducted our examination in accordance with Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the Institute of Chartered Accountants of India (the ICAI). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

In our opinion and according to the best of our information and according to the explanations given to us and based on our reliance upon the representations made by the Directors and the Management, we certify that the Company has complied in all material respects with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations referred above.

We state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Principle 9

1	What percentage of customer complaints/consumer cases are pending as on the end of financial year.	Nil
2	Does the company display product information on the product label, over and above what is mandated as per local laws?	Not Applicable
3	Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behavior during the last five years and pending as on end of financial year.	No
4	Did your company carry out any consumer survey/ consumer satisfaction trends?	Not Applicable

Independent Auditor's Report

To the Members of

KNR CONSTRUCTIONS LIMITED

REPORT ON THE STANDALONE INDIAN ACCOUNTING STANDARD (IND AS) FINANCIAL STATEMENTS

We have audited the accompanying Standalone Ind AS Financial Statements of KNR CONSTRUCTIONS LIMITED ("the Company"), which comprise the Balance Sheet as at 31 March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Standalone Ind AS Financial Statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the Standalone Ind AS Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we

comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone Ind AS Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Company's preparation of the Standalone Ind AS Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone Ind AS Financial Statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS Financial Statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profits (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- A.** As required by the Companies (Auditor's Report) Order, 2016, ('the Order'), issued by the Central Government of India in terms of Sub-section 11 of Section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the said order.
- B. As required by Section 143 (3) of the Act, we report that:**
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income) the Cash Flow

Independent Auditor's Report (Contd.)

- Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.
- e) On the basis of the written representations received from the directors as on March 31, 2018, taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our Report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact if any, of pending litigations as at March 31, 2018 on its financial position in its Standalone Ind AS Financial Statements – Refer Note No. 37(i).
- ii. The Company did not have any long term contracts, including derivative contracts, for which there were any material foreseeable losses.
- iii. There was a delay of 30 days in transferring an amount of ₹ 0.57 lakhs to the Investor Education and Protection Fund by the Company.
- iv. The disclosure in the Standalone Ind AS Financial Statements regarding holdings as well as dealings in specified bank notes during the period from 8th November 2016 to December 30 2016 have not been made since they do not pertain to the financial year ended March 31, 2018.

Annexure I

To the Independent Auditor's Report of even date on the Standalone Ind AS Financial Statements of KNR Constructions Limited

We report that;

1. a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) According to the information and explanations given to us, the fixed assets have been physically verified by the management at reasonable intervals. No material discrepancies were noticed on such verification of fixed assets.
- c) According to the information and explanations given to us, the title deeds of the immovable properties disclosed in the Note no. 3 & 3.1 to Standalone Ind AS Financial Statements held by the Company are in the name of the Company except following assets.

Total No. of cases (lands)	Whether leasehold/freehold	Gross block and net block as on 31-03-2018 (₹ in Lakhs)	Remarks
44	Freehold	762.07	Lands are registered in the name of directors, relatives of directors for and on behalf of the company due to restrictions in registration of lands in the name of the Company, by the land laws of respective states in which respective states in which the land is situated.*

*The Company has taken undertaking from respective parties for having no interest in the lands.

2. According to the information and explanations given to us, inventories have been physically verified at regular intervals by the Management during the year. In our opinion, the frequency of such verification is reasonable. No material discrepancies were noticed on such physical verification.
3. According to the information and explanations given to us, the company has granted unsecured loans to Subsidiary Companies during the year and maximum amount involved during the period and the balance of said loans were aggregating to ₹ 899.90 Lakhs and ₹ 503.41 lakhs respectively covered in the register maintained under section 189 of the Companies Act, 2013. These loans have been given on "On Account" basis. In the absence of agreements for these loans, the terms and conditions and their impact on the interest of the Company cannot be ascertained. Hence the question of regularity of payment of principal and interest does not arise.
4. In our opinion and according to the information and explanations given to us, the Company has not advanced any loan to any director, given any guarantee, provided any security in connection with any loan taken by any director or made investment through more than two layers of investment companies as per the provisions of section 185 and 186 of the Act. Accordingly, reporting under clause (iv) of paragraph 3 of the Order is not applicable.
5. In our opinion and according to the information and explanation given to us, the Company has not accepted deposits to which directions issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 were applicable. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.
6. The maintenance of cost records has been specified by the Central Government under section 148(1) (d). We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate and complete.
7. According to the information and explanations given to us, in respect of records of statutory dues:
 - a) The Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other statutory dues applicable to it with the appropriate authorities. However, there have been delays in depositing Goods and Services Tax (GST) dues with the appropriate authorities.
 - b) There were no undisputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Wealth Tax, Service Tax, Duty of Customs, Duty of Excise, Cess and other statutory dues in arrears as at March 31, 2018 for a period of more than six months from the date they became payable, except as below.

Name of the Statute	Nature of the Dues	Amount (₹ in Lakhs)	Period to which the amount relates	Due Date	Date of Payment
The Kerala Value Added Tax Act, 2003	Value Added Tax	3.01	2016-17	Various Dates	Outstanding as on the date of this Report
		19.35	2017-18	Various Dates	Outstanding as on the date of this Report

Annexure I to the Independent Auditor's Report of even date on the Standalone Ind AS Financial Statements of KNR Constructions Limited (Contd.)

c) Disputed statutory dues that have not been deposited on account of matters pending before appropriate authorities are as under :

Name of the Statute	Nature of the Dues	Amount (₹ in lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act, 1961	Income Tax	Paid under protest	FY 2006-07	Income Tax Appellate Tribunal, Hyderabad

Andhra Pradesh Value Added Tax Act, 2005	VAT	25.91	FY 2010-11	Telangana Value Added Tax Appellate Tribunal
Madhya Pradesh Value Added Tax Act, 2002	VAT	34.97	FY 2014-15	Additional Commissioner (Appeals) Gwalior
	Entry Tax	41.13	FY 2010-11	Additional Commissioner (Appeals) Gwalior
	Entry Tax	182.88	FY 2014-15	Additional Commissioner (Appeals) Gwalior
Odisha Sales Tax and VAT Laws	Entry Tax	28.87	FY 2009-10 to 11-12	Odisha High Court
	Entry tax	22.00	FY 2012-13 to 14-15	Joint Commissioner Appeals, Bhubaneswar
	VAT	171.81	FY 2012-13 to 14-15	
	CST	6.03	FY 2012-13 to 14-15	

8. In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of its dues to Banks & Financial Institutions. The Company has not issued debentures.
9. The Company has not raised any monies, during the reporting period, by way of initial public offer (including debt instruments) or further public offer. The Company has not raised any monies, by way of term loans during the year.
10. According to the information and explanations given to us, no fraud by, or by its officers or employees on the Company has been noticed or reported during the year.
11. According to the information and explanations given to us and based on our examination of the records of the Company, managerial remuneration has been paid/provided during the year in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Companies Act 2013.
12. In our opinion and according to the information given to us, the Company is not a Nidhi Company. Accordingly, reporting under clause (xii) of paragraph 3 of the Order is not applicable.
13. In our opinion and according to the information and explanations given to us and based on our examination of the records, all transactions with the related parties are in compliance with Section 177 and Section 188 of the Act where applicable, and the details have been disclosed in the Standalone Ind AS Financial Statements, as required by the applicable accounting standards.
14. According to the information and explanations given to us and based on our examination of the records, the Company has not made any preferential allotment or private placement of shares or convertible debentures during the reporting period. Accordingly, reporting under clause (xiv) of paragraph 3 of the Order is not applicable.
15. In our opinion and according to the information and explanations given to us and based on our examination of the records, the Company has not entered into any non-cash transactions with any directors or persons connected with him. Accordingly, reporting under clause (xv) of paragraph 3 of the Order is not applicable.
16. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

Annexure 2

to the Independent Auditor's Report of even date on the Standalone Ind AS Financial Statements of KNR Constructions Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of KNR CONSTRUCTIONS LIMITED ("the Company") as of March 31, 2018 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Annexure 2 to the Independent Auditor's Report of even date on the Standalone Ind AS Financial Statements of KNR Constructions Limited (Contd.)

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Cash Flow Statement

for the year ended March 31, 2018

(₹ in Lakhs)

Particulars	As at March 31, 2018	As at March 31, 2017
A) CASH FLOW FROM OPERATING ACTIVITIES		
Profit before tax	26,815.06	16,321.69
Adjustments for:		
Depreciation and Amortisation	13,414.59	6,387.32
Loss/(Profit) on sale of Property, Plant and Equipment, Investment Property(Net)	(542.24)	(247.45)
Liabilities no longer required Written Back	(657.63)	(349.66)
Bad Debts / Advances Written Off	424.12	54.64
(Gain) / Loss on Mutual Funds	(10.19)	(6.68)
Un winding Interest on Fair Value of Financial instruments	(14.77)	(44.71)
Derecognition of Financial asset	189.94	-
Provision for Impairment of investments	-	1,086.64
Provision for Doubtful Advances and Other receivables	420.53	200.00
Dividend received on current investments	(153.76)	(14.90)
Finance cost	2,314.42	2,189.88
Interest Income	(852.94)	(473.21)
Operating profit/(loss) before working capital changes	41,347.13	25,103.56
Changes in working capital:		
(Increase)/Decrease in Trade and Other Receivables and prepayments	(22,693.04)	(8,374.01)
(Increase)/Decrease in Inventories	(1,382.87)	(2,200.53)
Increase/(Decrease) in Trade and other Payables	782.87	17,871.64
Cash generated/ (used) from Operations	18,054.09	32,400.66
Income Taxes (paid) / Refund	(2,372.25)	(746.12)
Net Cash flows from / (used in) Operating Activities- (A)	15,681.84	31,654.54
B) Cash flow from Investing Activities		
Proceeds from sale of property, plant and equipment	2,391.92	821.25
Payments for property, plant and equipment and Capital Work-in-Progress	(22,477.49)	(14,652.88)
Interest Received	825.10	381.99
Bank Balances not considered as cash and cash equivalents	141.69	383.47
Loans/Advances to Subsidiaries, Associates and others	710.88	(1,807.51)
Investments in Subsidiaries, Associates, Mutual funds and others	(232.08)	(16,065.31)
Dividend received on current investments	153.76	14.90
TDS on Interest Received	(28.39)	(24.51)
Net Cash flows from / (used in) Investing Activities- (B)	(18,514.61)	(30,948.60)

Cash Flow Statement for the year ended March 31, 2018 (Contd.)

(₹ in Lakhs)

Particulars	As at March 31, 2018	As at March 31, 2017
C) Cash flow from Financing Activities		
Proceeds from borrowings	9,191.00	7,960.14
Repayment of borrowings	(1,557.99)	(2,526.54)
Increase / (decrease) in short term borrowings	-	(2,702.51)
Finance cost paid	(1,891.69)	(2,203.31)
Dividend and Dividend Tax Paid	(846.22)	-
Net Cash Flows from / (used in) Financing Activities- (C)	4,895.10	527.78
Net increase/(decrease) in cash and cash equivalents - (A+B+C)	2,062.33	1,233.72
Cash & Cash Equivalents at the beginning of the year	1,644.12	410.40
Cash & Cash Equivalents at end of the year(Refer note: 1)	3,706.45	1,644.12

Note:

- 1 Cash & Cash equivalents

(₹ in Lakhs)

Particulars	As at March 31, 2018	As at March 31, 2017
Cash on hand	32.68	37.07
Bank Balance and Cheques on Hand	3,673.77	1,607.05
	3,706.45	1,644.12

- 2 The Cash flow statement is prepared in accordance with the Indirect Method stated in Ind-AS7 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities.
- 3 Previous year's figures have been regrouped, wherever necessary.
- 4 Figures in brackets represent cash outflows.

Notes

forming part of the Financial Statements

1. CORPORATE INFORMATION:

KNR Constructions Limited ('the Company') is a company domiciled in India with its registered office at C- 125, Anand Niketan, New Delhi. The Company has been incorporated in 1995 under the provisions of Indian Companies Act. The shares of the Company are listed on the both the stock exchanges (BSE & NSE) India in 2008 pursuant to the Public offer of Equity Shares. The Company is engaged in the business of infrastructure sector, primarily in the construction of roads, bridges, flyovers and irrigation projects.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

2.2 Basis of Preparation & Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.3 Current and non-current classification

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends up to the realization of receivables (including retention monies) within the credit period normally applicable to the respective project.

2.4 Fair Value Measurement

The company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within fair value hierarchy based on the low level of input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (observable inputs).

Level 3 – Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.5 Property, plant and equipment (PPE)

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Notes forming part of the Financial Statements (Contd.)

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation is calculated on cost of items of property, plant and equipment in the manner and as per the useful life prescribed under Schedule-II to the Act except the below mentioned assets, and is generally recognized in the statement of profit and loss. Depreciation on additions (disposals) is provided on a pro-rata basis

i.e. from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

For the Assets costing up to ₹ 5,000 are depreciated fully in the year of purchase.

The following asset category has useful life different from the life specified in Schedule II of the Companies Act, 2013 based on the management's assessment

Sl. No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
1.	Buildings		
	RCC structure	60 years	60 years
	Temporary structure	3 Years	3 Years
2.	Plant and Machinery		
	Concreting, crushing, piling equipment's and road making equipment's	12 Years	7 Years *
	Heavy Lift equipment's	-	-
	- Cranes < 100 tons	15 Years	7 Years *
	- Earth-moving equipment's	9 Years	7 Years *
	Construction Accessories	12 Years	3 Years **
	Others including Material Handling / Pipeline / Welding Equipment's	12 Years	7 Years *
3.	Furniture and fittings	10 Years	10 Years
4.	Motor Vehicles		
	Motor cycles, Scooters and other mopeds	10 Years	10 Years
	Motor buses, motor lorries, motor cars and motor taxis	8 Years	8 Years
5.	Office equipment's	5 Years	5 Years
6.	Computers and data processing units		
	Servers and networks	6 Years	6 Years
	End user devices, such as, desktops, laptop etc.,	3 Years	3 Years
7.	Laboratory equipment's	10 years	7 years *

* The Company estimated life of the asset as 7 years.

** The Company estimated life of the asset as 3 years as the assets have been used for more number of times / shifts as compared to the other ones.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of retirement or disposal.

Notes forming part of the Financial Statements (Contd.)

2.6 Capital Work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost less refundable taxes.

2.7 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS 16's requirement for cost model.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognized.

2.8 Intangible assets

Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Pre-operative expenses including administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets. Intangible assets are amortized over their useful life.

Asset	Useful life
Computer Software	3 Years

2.9 Investment in Subsidiaries, Associates, Joint Ventures and Mutual Funds

On initial recognition, these investments are recognised at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

Investments in mutual funds are carried at fair value through profit and loss.

Investments are classified as 'held for sale' when all of the following criteria's are met:

- decision has been made to sell,
- the assets are available for immediate sale in its present condition,

- the assets are being actively marketed and
- sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such investments classified as held for sale are measured at the lower of its carrying value and fair value less impairment.

Investments in joint operations are recognised at cost with adjustment to respective share of profit/loss.

2.10 Inventories

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realizable value whichever is less. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

2.11 Financial instruments

i. Classification and subsequent measurement

Financial assets

Financial asset is

- Cash / Equity Instrument of another Entity,
- Contractual right to –
 - receive Cash / another Financial Asset from another Entity, or
 - exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

On initial recognition, a financial asset is classified as measured at

- Amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes forming part of the Financial Statements (Contd.)

Financial liabilities

Financial liability is Contractual Obligation to

- deliver Cash or another Financial Asset to another Entity, or
- exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

ii. De-recognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

iii. Impairment

Impairment of financial instruments

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are measured at amortized cost
- Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the company to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The amount of ECL losses for the year ended March 31, 2018 was Nil.

Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognized, if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of

Notes forming part of the Financial Statements (Contd.)

any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.12 Cash and cash equivalents

Cash and cash equivalents includes Cash in hand, bank balances and cheques on hand, Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.13 Other Bank balances

Other bank balances include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation.

2.14 Provisions

Provisions are recognised only when:

- An entity has a present obligation (legal or constructive) as a result of a past event
- It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- A reliable estimate can be made of the amount of the obligation.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.15 Contingent liability, Contingent Assets and Commitments

Contingent liability is disclosed in case of

- A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- A present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable.

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

- Estimated amount of contracts remaining to be executed on capital account and not provided for
- Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
- Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

Contingent liabilities, Contingent assets and Commitments are reviewed at each Balance Sheet date.

2.16 Revenue recognition

Accounting for Construction contracts

The Company follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/variations as per Ind AS 11, Construction Contracts.

An expected loss on the construction contract is recognised as an expense immediately in accordance with Ind AS – 11.

Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award or acceptance by client or evidence of acceptance received. Interest awarded, being in the nature of additional compensation under the terms of the contract, is accounted as other Income on receipt of favourable arbitration award.

Accounting for Interest in Joint Operations

In respect of Joint operations, the company's share of profit/loss in joint operations is taken in statement of profit and loss.

Other Income

Interest income: Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective interest rate (EIR). Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company, and the amount of the dividend can be measured reliably.

Notes forming part of the Financial Statements (Contd.)

Other Items of Income: Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably.

2.17 Employee benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The benefits like salaries, wages, short term compensated absences etc. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

b) Post-employment benefits:

i. **Defined contribution plans:** The state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii. **Defined benefit plans:** The employees' group gratuity fund schemes are managed by Life Insurance Corporation of India (L.I.C), and post-retirement provident fund scheme are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Re measurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit and loss.

The net interest cost is calculated by applying the discount rate to the net balance

of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognizes related restructuring costs or termination benefits.

2.18 Taxes on Income

Income tax comprises of current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary differences arise

Notes forming part of the Financial Statements (Contd.)

from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

iii. Minimum Alternate Tax (MAT)

Minimum Alternative Tax ("MAT") under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.19 Leases

Leases in which a substantial portion of risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase, in which case the same are recognised as an expense in line with the contractual term.

2.20 Foreign currencies

- The Functional Currency of the Company is Indian Rupees(INR), and these financial statements are presented in Indian rupees(Lakhs).
- Foreign Currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate on the date of the transaction.

- At each Balance Sheet date, foreign currency monetary items are reported using the closing rate or at amount likely to be realized from or required to disburse. Exchange differences that arise on settlement of Long Term monetary items or on reporting of Long Term Monetary items at each Balance sheet date, at the closing rate are charged to Statement of Profit and loss.

2.21 Cash Flow Statement

The Cash flow statement is prepared in accordance with Ind AS 7 by using indirect method by segregating as cash flows from operating, investing and financing activities. Under the Cash flow from operating activities, the net profit is adjusted for the effects of Non-cash items, Changes in working capital and other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement.

Cash comprises cash on hand. Cash equivalents are balances with banks including cheques on hand and short-term balances (with an original maturity of three months or less from the date of acquisition).

2.22 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders equity, in period in which the dividends are approved by the equity shareholders in general meeting.

2.23 Earnings per share

a) Basic Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury share.

b) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Notes forming part of the Financial Statements (Contd.)

2.24 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.25 Exceptional Items

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.26 Key accounting estimates and judgements

The preparation of these financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize. Estimates include the property plant and equipment, inventory, future obligations in respect of retirement benefit plans, provisions, fair value measurement and taxes etc.

a) Revenue Recognition

The Company follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/ variations, this method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labor costs and productivity efficiencies. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

b) Property, plant and equipment

The company reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d) Provision for employee benefits

The Company uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.

e) Income Taxes

Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.

f) Estimation of net realisable value of inventories

In estimating the net realisable value of Inventories the Company makes an estimate of future selling prices and costs necessary to make the sale.

g) Impairment of trade receivables and advances

Significant estimates are required in ascertaining the provision to be made for impairment of trade receivables and advances.

2.27 New standards and interpretations not yet adopted

On March 28, 2018, the Ministry of Corporate Affairs notified Ind AS 115 Revenue from contracts with customers. Ind AS 115 is effective from 1st April, 2018. The core principle of the new standard is that entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Further the new standard requires disclosures about the nature, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

Notes forming part of the Financial Statements (Contd.)

The management assessed the financial assets and liabilities measured at amortised cost are approximate to the fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

The company's focus is to estimate a vulnerability of financial risk and to address the issue to minimise the potential adverse effects of its financial performance.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure. Credit risk on trade receivables, is limited as the customers of the company mainly consists of the Government promoted entities having a strong credit worthiness.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

Notes to the Financial Statements (Contd.)

	45,460.22	14,722.19	14,318.68	16,419.35	45,460.22

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

Foreign Currency risk is the risk that fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rate.

The Company is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant variable interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal.

iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The company is exposed to price risk due to investments in mutual funds and classified as fair value through profit and loss.

The company measures risk through sensitivity analysis.

The company's risk management policy is to mitigate the risk by investments in diversified mutual funds.

The company's exposure to price risk due to investments in mutual fund is as follows:

(₹ in Lakhs)

Assumptions

(₹ in Lakhs)		
Particulars	March 31, 2018	March 31, 2017
Discount Rate	7.3%	8%
Salary Escalation	10%	15%
Mortality rate	Indian assured lives mortality (2006-08) ultimate	Indian assured lives mortality (2006-08) ultimate
Average future working life time	22.53 years	23.36 years
Attrition rate	13%	13%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Notes to the Financial Statements (Contd.)

Quantities sensitivity analysis for significant assumptions is as below:

Particulars	(₹ in Lakhs)	
	March 31, 2018	March 31, 2017
0.5%/1% increase		
i. Discount rate	494.29	198.86
ii. Salary escalation rate- over a long-term	521.96	222.68
iii. Attrition rate	503.63	198.86
0.5%/1% decrease		
i. Discount rate	524.06	237.40
ii. Salary escalation rate- over a long-term	495.94	210.23
iii. Attrition rate	514.38	237.40

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

Independent Auditor's Report

To the Members of KNR CONSTRUCTIONS LIMITED

REPORT ON THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

We have audited the accompanying consolidated Ind AS financial statements of KNR CONSTRUCTIONS LIMITED ("the Holding Company") and its subsidiaries (collectively referred to as 'the Group') and its associates, which comprise the Consolidated Balance Sheet as at 31 March, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated Ind AS financial statement').

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors are responsible for the preparation of these consolidated Ind AS financial statements in the terms of requirement of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Company including its associates, in accordance with the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and of its associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these Consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial controls relevant to the Holding Company's preparation of the Consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in paragraph (a) of the Other Matters below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of jointly controlled operations, subsidiaries and associates, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of consolidated state of affairs of the Group and its associates as at March 31, 2018, of their consolidated financial performance including, other comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

OTHER MATTER

- (a) We did not audit the financial statements and other financial information, in respect of 7 subsidiaries (including one subsidiary consolidated for the period ended 31st March 2018) and 14 jointly controlled operations whose financial statements include total assets of ₹ 1,42,061.27 lakhs and net assets of ₹ 44,876.77 lakhs as at March 31, 2018, and

Independent Auditor's Report (Contd.)

total revenues of ₹ 9,2164.73 lakhs for the year ended on that date. These financial statements and other financial information have been audited by other auditors, which financial statements, other financial information and auditor's reports have been furnished to us by the management. The consolidated Ind AS financial statements also include the Group's share of net Profit of ₹ 5.75 lakhs for the year ended March 31, 2018, in respect of 2 associates located in India whose financial statement and other financial information have been audited by other auditors and whose financial statement and other financial information and auditor's report have been furnished to us by the management and one jointly controlled entity located outside India whose financials have not been audited as explained in Para (b) below. Our opinion, in so far as it relates to the affairs of such subsidiaries, jointly controlled operations and associates is based solely on the report of other auditors. Our opinion is not modified in respect of this matter.

- (b) In addition to above, We did not review the unaudited financial statements and other financial information of 2 subsidiaries and one Jointly controlled entity which are located outside India and one joint operation in India with total assets of ₹ 22,924.61 lakhs as at March 2018, net asset of ₹ 1,117.17 lakhs and total revenue of ₹ 8447.08 lakhs the unaudited financial statements and other financial information for these subsidiaries and Jointly controlled entity and joint operation have been incorporated in the accompanying consolidated Ind AS financial statements, based on the financial information as reviewed and certified by the management of the group as at end of the year. Our audit report in so far as it relates to the affairs of subsidiaries, jointly controlled and joint operation entity is based solely on the basis of management certified financial information. Our audit opinion is not modified in respect of this matter.
- (c) The comparative financial information of the Group including its associates and joint operations and jointly controlled entity for the year ended March 31, 2017, included in these consolidated financial statements, have been audited by the predecessor auditor. The report of the predecessor auditor on the comparative financial information dated May 30, 2017 expressed a modified opinion.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

- A. As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and the other financial information of jointly controlled operations, subsidiaries and associates as noted in the 'other matter' paragraph, we report, to the extent applicable, that:

- a) We / the other auditors whose reports we have relied upon, have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of other auditors;
- c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss including other comprehensive income, the consolidated Cash Flow Statement and Consolidated statement of changes in equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018, taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors who are appointed under sec 139 of the Act, of its subsidiary companies and associate companies incorporated in India, none of the directors of the group companies and its associate companies incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy and the operating effectiveness of the internal financial controls over financial reporting with reference to these consolidated Ind AS financial statements of the Holding Company and its subsidiary companies and associate companies, refer to our separate Report in "Annexure 1" to this report;
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditors on separate financial statements as also the other financial information of the subsidiaries, associates and jointly controlled operations as noted in the 'Other Matter' paragraph:

Independent Auditor's Report (Contd.)

- i. The consolidated Ind AS financial statements disclose the impact of pending litigations on its consolidated financial position of the group and its associates – Refer Note 37 to the consolidated Ind AS financial statements;
- ii. The Group, its joint operations, associates and jointly controlled entities did not have any material foreseeable losses no long term contracts, including derivative contracts during the year ended March 31, 2018.
- iii. There was a delay of 30 days in transferring an amount of ₹ 0.57 lakhs to the Investor Education and Protection Fund by the Holding Company. There were no amounts that were required to be transferred to the Investor Education & Protection Fund by the subsidiary companies and associates incorporated in India during the year ended March 31, 2018.
- iv. The disclosure in the consolidated Ind AS Financial Statements regarding holdings as well as dealings in specified bank notes during the period from 8 November 2016 to 30 December 2016 have not been made since they do not pertain to the financial year ended March 31, 2018.

Annexure I

To the Independent Auditor's Report of even date on the Ind AS Financial Statements of KNR Constructions Limited

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **KNR CONSTRUCTIONS LIMITED** ("the Holding Company") its subsidiary companies and its associate companies, which are incorporated in India, as of March 31, 2018 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated financial statements and their operating effectiveness. Our audit of internal

financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these consolidated financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THESE CONSOLIDATED IND AS FINANCIAL STATEMENTS

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING WITH REFERENCE TO THESE CONSOLIDATED IND AS FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Annexure I to the Independent Auditor's Report of even date on the Ind AS Financial Statements of KNR Constructions Limited (Contd.)

Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have maintained in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference to these consolidated financial statements were operating effectively as at March 31, 2018, based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

OTHER MATTER

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financials controls over financial reporting with reference to these consolidated financial statements of the Holding Company, insofar as it relates to these 7 subsidiary companies, and 2 associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary and associate companies.

Notes

forming part of the Consolidated financial statements

1. CORPORATE INFORMATION:

KNR Constructions Limited ('the Company') is a company domiciled in India with its registered office at C- 125, Anand Niketan, New Delhi. The Company has been incorporated in 1995 under the provisions of Indian Companies Act. The shares of the Company are listed on the both the stock exchanges (BSE & NSE) in India in 2008 pursuant to the Public offer of equity shares. The Company, its subsidiaries and Associates collectively referred to as the "Group" is engaged in the infrastructure sector and is undertaking Turn key EPC contracts and BOT projects on public-private partnership basis, group activities are primarily in the construction of roads, bridges, flyovers and irrigation projects.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of Compliance

These financial statements are the Consolidated financial statements of the Group prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016 notified under the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

2.2 Basis of Preparation & Presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.3 Basis of Consolidation

The consolidated financial statements have been prepared on the following basis:

i) Subsidiaries

The consolidated financial statements comprise the financial statements of the Holding Company and its subsidiaries as disclosed in Note 43. Subsidiaries are consolidated from the date control commences until the date control ceases. Subsidiaries are consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and resulting unrealized profits or losses on intra-group transactions as per Indian Accounting Standard 110.

ii) Associates

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date.

iii) Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures; the classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement.

For joint operations, the group recognizes its direct right to the assets, liabilities, contingent liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings.

For joint venture, A Joint Venture is a joint arrangement whereby the parties that have joint control of the arrangement, have rights to the net assets of the joint arrangement. Investments in Joint Venture are accounted for using the equity method after initially recognised at cost.

iv) The financial statements of the Subsidiaries, Associates and the Joint ventures used in the consolidation are drawn up to the same reporting date as that of the Holding Company, i.e. March 31, 2018.

v) Non-controlling interests in the net assets of the consolidated subsidiaries is identified and presented in consolidated balance sheet under the Total Equity.

vi) Non-controlling interests in the net assets of consolidated subsidiaries consists of:

- The amount of equity attributable to Non-controlling holders at the date on which investment in a subsidiary is made; and
- The Non-controlling holders share of movements in the equity since the date the parent subsidiary relationship came into existence.

vii) The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and

Notes forming part of the Consolidated financial statements (Contd.)

other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements. The Subsidiaries and Associate Companies are considered for consolidated financial statements are given in Note 43.

2.4 Changes in the Group's ownership interest in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interest and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to shareholders of the Group.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the fair value of the consideration received and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

2.5 Current and Non-Current classification

The group has classified all its assets and liabilities as current or non-current, wherever applicable, as per the operating cycle of the group as per Schedule III to the Act. Operating cycle for the business activities of the group covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends up to the realization of receivables (including retention monies) within the credit period normally applicable to the respective project.

2.6 Fair Value Measurement

The group measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within fair value hierarchy based on the low-level of input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (observable input).

Level 3 – Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.7 Property, plant and equipment (PPE)

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in profit or loss.

Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated

Notes forming part of the Consolidated financial statements (Contd.)

with the expenditure will flow to the Group.

Depreciation is calculated on cost of items of property, plant and equipment in the manner and as per the useful life prescribed under Schedule-II to the Act except the below mentioned assets, and is generally recognized in the statement of profit and loss. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

For the Assets costing up to ₹ 5,000 are depreciated fully in the year of purchase.

The following asset category has useful life different from the life specified in Schedule II of the Companies Act, 2013 based on the management's assessment

Sl. No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
1. Buildings			
	RCC structure	60 years	60 years
	Temporary structure	3 Years	3 Years
2. Plant and Machinery			
	Concreting, crushing, piling equipment's and road making equipment's	12 Years	7 Years *
	Heavy Lift equipment's		
	- Cranes < 100 tons	15 Years	7 Years *
	- Earth-moving equipment's	9 Years	7 Years *
	Construction Accessories	12 Years	3 Years **
	Others including Material Handling / Pipeline / Welding Equipment's	12 Years	7 Years *
3. Furniture and fittings		10 Years	10 Years
4. Motor Vehicles			
	Motor cycles, Scooters and other mopeds	10 Years	10 Years
	Motor buses, motor lorries, motor cars and motor taxis	8 Years	8 Years
5. Office equipment's		5 Years	5 Years
6. Computers and data processing units			
	Servers and networks	6 Years	6 Years
	End user devices, such as, desktops, laptop etc.,	3 Years	3 Years
7. Laboratory equipment's		10 years	7 years *

* The Company estimated life of the asset as 7 years.

** The Company estimated life of the asset as 3 years as the assets have been used for more number of times / shifts as compared to the other ones.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of retirement or disposal.

2.8 Capital Work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost less refundable taxes.

Notes forming part of the Consolidated financial statements (Contd.)

2.9 Intangible Asset under Service Concession Arrangements (SCA)

The Group recognizes an intangible asset arising from a service concession arrangement to the extent it has a right to charge for use of the concession infrastructure. The fair value, at the time of initial recognition of such an intangible asset received as consideration for providing construction or upgrade services in a service concession arrangement, is regarded to be its cost. Subsequent to initial recognition the intangible asset is measured at cost, less any accumulated amortization and accumulated impairment losses.

Subsequent expenditure is capitalized only when it increases the future economic benefits embodied in the specific asset to which it relates.

The Group has followed life based amortization for intangible assets which are recognized under service concession arrangements, over the balance concession period.

Government grants – Viability Gap Funding (VGF)

Any VGF in the form of equity support in connection with project construction is accounted as a receivable and is adjusted to the extent of actual receipt.

Accounting for negative grants

The Group is required to make payments to the authority during the period of SCA which is called negative grant as per appendix to Ind-As 11, and the payment is in the form of fixed payment (annual throughout the SCA) and the Group has recognized as a liability with a present value of annual payments payable during the SCA. And the same was capitalized to the intangible assets.

2.10 Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS 16's requirement for cost model.

An investment property is derecognized upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

2.11 Other Intangible Assets

Other Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognised when it is probable that the

future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Pre-operative expenses including administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalized as a part of the cost of the intangible assets. Intangible assets are amortized over their useful life.

Asset	Useful life
Computer Software	3 Years

2.12 Investment in Associates and Joint Ventures and Mutual Funds

Investments in mutual funds are carried at fair value through profit and loss.

Investments are classified as 'held for sale' when all of the following criterias are met:

- (i) decision has been made to sell,
- (ii) the assets are available for immediate sale in its present condition,
- (iii) the assets are being actively marketed and
- (iv) Sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such investments classified as held for sale are measured at the lower of its carrying value and fair value less impairment.

Investments in joint venture are recognised at cost with adjustment to respective share of profit/loss.

2.13 Inventories

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realizable value whichever is less. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

2.14 Financial Instruments

i. Classification and subsequent measurement Financial assets

Financial asset is

- Cash / Equity Instrument of another Entity,
- Contractual right to –
 - a) receive Cash / another Financial Asset from another Entity, or
 - b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

Notes forming part of the Consolidated financial statements (Contd.)

On initial recognition, a financial asset is classified as measured at

- Amortized cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortized cost if it meets both of the following conditions and is not designated as at FVTPL:

- o the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- o The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial liabilities

Financial liability is Contractual Obligation to

- deliver Cash or another Financial Asset to another Entity, or
- exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity

Financial liabilities are classified as measured at amortized cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognized in profit or loss. Other financial liabilities are subsequently measured at amortized cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognized in profit or loss. Any gain or loss on de-recognition is also recognized in profit or loss.

ii. De-recognition Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognized at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognized in profit or loss.

iii. Impairment Impairment of financial assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are measured at amortized cost
- Trade receivables

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition

Impairment of non-financial assets

The Group's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

Notes forming part of the Consolidated financial statements (Contd.)

An impairment loss is recognized, if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognized in the statement of profit and loss. Impairment loss recognized in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.15 Cash and cash equivalents

Cash and bank balances also include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation. Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.16 Provisions

Provisions are recognised only when:

- a) An entity has a present obligation (legal or constructive) as a result of a past event
- b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- c) A reliable estimate can be made of the amount of the obligation.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.17 Contingent liability, Contingent Assets and Commitments

Contingent liability is disclosed in case of

- a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
- b) A present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are disclosed where an inflow of economic benefits is probable.

Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:

- a) Estimated amount of contracts remaining to be executed on capital account and not provided for
- b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
- c) Other commitments related to sales/procurements made in the normal course of business are not disclosed to avoid excessive details.

Contingent liabilities, Contingent assets and Commitments are reviewed at each Balance Sheet date.

2.18 Revenue Recognition

Accounting for Construction contracts

The Group follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/variations as per Ind AS 11, Construction Contracts.

An expected loss on the construction contract shall be recognised as an expense immediately in accordance with Ind AS - 11.

Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award or acceptance by client or evidence of acceptance received. Interest awarded, being in the nature of additional compensation under the terms of the contract, is accounted as other operating revenue on receipt of favourable arbitration award

Service concession arrangements (SCA)

Revenue related to construction or upgrade services provided under a service concession arrangement is recognized based on the stage of completion of the work performed, consistent with the Group's accounting policy on recognizing revenue on construction contracts, and the toll revenue is recognized as and when the amount is due and recovery is certain.

Other Income

Interest income: Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective interest rate (EIR). Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Notes forming part of the Consolidated financial statements (Contd.)

Other Items of Income: Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably

2.19 Employee Benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The benefits like salaries, wages, and short term compensated absences etc. Expenses on non-accumulating compensated absences are recognised in the period in which the absences occur.

b) Post-employment benefits:

i) Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii) Defined benefit plans: The employees' group gratuity fund schemes are managed by Life Insurance Corporation of India (L.I.C), and post-retirement provident fund scheme are the Group's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Re measurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit and loss.

The net interest cost is calculated by applying the discount rate to the net balance

of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Group recognizes related restructuring costs or termination benefits.

2.20 Taxes on Income

Income tax comprises of current and deferred tax. It is recognized in profit or loss except to the extent that it relates to an item recognized directly in equity or in other comprehensive income.

i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realize the asset and settle the liability on a net basis or simultaneously.

ii) Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial

Notes forming part of the Consolidated financial statements (Contd.)

recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

iii. Minimum Alternate Tax (MAT)

Minimum Alternative Tax ("MAT") under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.21 Leases

Leases in which a substantial portion of risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increase, in which case the same are recognised as an expense in line with the contractual term.

2.22 Foreign Currencies

Foreign Currency transaction and translation expenditure

- a) The Functional Currency of the Group is Indian Rupees(INR), and these financial statements are presented in Indian rupees(Lakhs)
- b) Foreign Currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate on the date of the transaction.

- c) At each Balance Sheet date, foreign currency monetary items are reported using the closing rate or at amount likely to be realized from or required to disburse. Exchange differences that arise on settlement of Long Term monetary items or on reporting of Long Term Monetary items at each Balance sheet date, at the closing rate are charged to Statement of Profit and loss.

2.23 Cash flow statement

The Consolidated Cash flow statement is prepared in accordance with Ind AS 7 by using indirect method by segregating as cash flows from operating, investing and financing activities. Under the Cash flow from operating activities, the net profit is adjusted for the effects of Non-cash items, Changes in working capital and other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those amounts which are not considered in cash and cash equivalents as on the date of Balance Sheet are included in investing activities.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

2.24 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders equity, in period in which the dividends are approved by the equity shareholders in general meeting.

2.25 Earnings per share

a) Earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury share.

b) Diluted earnings per share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and

Notes forming part of the Consolidated financial statements (Contd.)

- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.26 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.27 Exceptional Items

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.28 Key accounting estimates and judgements

The preparation of these consolidated financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognized in the periods in which the results are known / materialize. Estimates include the property plant and equipment, inventory, future obligations in respect of retirement benefit plans, provisions, fair value measurement and taxes etc.

a) Revenue Recognition

The Group follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/ variations, this method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labor costs and productivity efficiencies. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these contracts, recognized revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

b) Property, plant and equipment

The Group reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d) Provision for employee benefits

The Group uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.

e) Income Taxes

Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.

f) Estimation of net realisable value of inventories

In estimating the net realisable value of Inventories the Group makes an estimate of future selling prices and costs necessary to make the sale.

g) Impairment of trade receivables and advances

Significant estimates are required in ascertaining the provision to be made for impairment of trade receivables and advances.

2.29 New standards and interpretations not yet adopted

On March 28, 2018, the Ministry of Corporate Affairs notified Ind AS 115 Revenue from contracts with customers. Ind AS 115 is effective from April 1, 2018. The core principle of the new standard is that entity should recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Further the new standard requires disclosures about the nature, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

Notes forming part of the Consolidated financial statements (Contd.)

Notes forming part of the Consolidated financial statements (Contd.)

35. CAPITAL MANAGEMENT

For the purpose of the Group's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the group, the groups policy is to maintain a strong capital base so as to safeguard its ability to continue as a going concern, so that it can continue to provide returns for shareholders and benefits for other stakeholders and for the future development of the Company. In order to maintain or achieve an optimal capital structure, the Company may adjust the amount of dividend payment, return on capital to shareholders or issue of new shares.

The Company's adjusted net debt to equity ratio at March 31, 2018 and March 31, 2017 was as follows:-

Particulars	(₹ in Lakhs)	
	As at March 31, 2018	As at March 31, 2017
Total debt	73,920.30	69,011.40
Less: cash and cash equivalents	5,197.86	3,381.25
Adjusted net debt (A)	68,722.44	65,630.15
Total equity	1,04,776.61	81,392.63
Adjusted equity (B)	1,04,776.61	81,392.63
Adjusted net debt to adjusted equity ratio (A/B)	0.66	0.81

Foot Note : Debt includes Long Term Borrowings (Including Current Maturities) and Interest accrued there on.
Cash and cash equivalents includes other bank balances

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

A. Accounting classifications and fair values

The following table shows the carrying amounts and fair values of financial assets and financial liabilities, including their levels in the fair value hierarchy.

(₹ in Lakhs)							
As at March 31, 2018							
Particulars	Carrying amount			Fair Value			
	FVTPL	Amortised Cost	Total carrying amount	Level 1	Level 2	Level 3	Total
Financial assets							
Investments in Associates	-	3,511.41	3,511.41	-	-	3,511.41	3,511.41
Other Investments	1,292.92	462.30	1,755.22	1,292.92	-	462.30	1,755.22
Trade receivables	-	26,913.75	26,913.75	-	-	26,913.75	26,913.75
Cash and cash equivalents	-	4,498.73	4,498.73	-	-	-	-
Bank balances other than above	-	699.13	699.13	-	-	-	-
Loans	-	2,631.47	2,631.47	-	-	2,631.47	2,631.47
Other financial assets	-	16,319.08	16,319.08	-	-	16,319.08	16,319.08
	1,292.92	55,035.87	56,328.79	1,292.92	-	49,838.01	51,130.93
Financial liabilities							
Secured Bank loans	-	52,264.45	52,264.45	-	-	52,264.45	52,264.45
Un Secured loans	-	24,775.90	24,775.90	-	-	24,775.90	24,775.90
Trade payables	-	25,588.86	25,588.86	-	-	25,588.86	25,588.86
Other financial liabilities	-	13,134.52	13,134.52	-	-	13,134.52	13,134.52
	-	1,15,763.73	1,15,763.73	-	-	1,15,763.73	1,15,763.73

The management assessed the financial assets and liabilities measured at amortised cost are approximate to the fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

Notes forming part of the Consolidated financial statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

(₹ in Lakhs)

As at March 31, 2017							
Particulars	Carrying amount			Fair Value			
	FVTPL	Amortised Cost	Total carrying amount	Level 1	Level 2	Level 3	Total
Financial assets							
Investments in Associates	-	2,816.24	2,816.24	-	-	2,816.24	2,816.24

	-	1,07,583.35	1,07,583.35	-	-	1,07,583.35	1,07,583.35

The management assessed the financial assets and liabilities measured at amortised cost are approximate to the fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

The company's focus is to estimate a vulnerability of financial risk and to address the issue to minimize the potential adverse effects of its financial performance.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk on trade receivables, is limited as the customers of the company mainly consists of the Government promoted entities having a strong credit worthiness.

The group's BOT Projects generally does not have trade receivable as collection of toll income coincide as and when the traffic passes through toll plazas. Hence, the management believes that the company is not exposed to any credit risk.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and

Notes forming part of the Consolidated financial statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

As at March 31, 2018

(₹ in Lakhs)

Particulars	Contractual Cash flows				Total
	Carrying Amount	Upto 1 year	1 to 3 Years	More than 3 years	
Non-derivative financial liabilities					
Secured Bank loans	52,264.45	2,847.36	6,690.00	42,727.09	52,264.45
Un Secured loans	24,775.90	-	6,355.35	18,420.55	24,775.90
Trade payables	25,588.86	17,912.20	6,849.39	827.27	25,588.86
Other financial liabilities	13,134.52	2,626.90	296.06	10,211.56	13,134.52
	1,15,763.73	23,386.46	20,190.80	72,186.47	1,15,763.73

As at March 31, 2017

(₹ in Lakhs)

Particulars	Contractual Cash flows				Total
	Carrying Amount	Upto 1 year	1 to 3 Years	More than 3 years	
Non-derivative financial liabilities					
Secured Bank loans	56,755.05	2,298.25	5,376.00	49,080.80	56,755.05
Un Secured loans	15,358.83	-	3,648.45	11,710.38	15,358.83
Trade payables	17,289.39	12,102.57	4,359.55	827.27	17,289.39
Other financial liabilities	18,180.08	4,275.48	8,671.12	5,233.48	18,180.08
	1,07,583.35	18,676.30	22,055.12	66,851.93	1,07,583.35

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Groups income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

Foreign Currency risk is the risk that fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rate.

The Group is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency

ii) Interest rate risk

Interest rate risk is the risk that fair value of future cash flow of a financial instrument will fluctuate because of changes in market interest rates.

The interest risk arises to the Group mainly from long term borrowings with variable rates. The Group measures risk through sensitivity analysis.

The Group is exposed to Interest rate risk as it has few variable interest rate borrowings.

Notes forming part of the Consolidated financial statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

The Groups exposure to interest rate risk due to borrowings is as follows:

(₹ in Lakhs)

Particulars	Note	As at March 31, 2018	As at March 31, 2017
